

NAWL MENTEE APPLICATION

matching senior lawyers mentors with junior lawyers mentees

Thank you for your interest in the National Association of Women Lawyers (NAWL) Mentor Program! NAWL's mission is to foster the social and professional advancement of female lawyers by promoting the social, political and professional empowerment of women. The NAWL Mentor Program promotes NAWL's mission by matching senior lawyer mentors (10+ years practicing) from a variety of legal fields and geographic locations with junior lawyer mentees (<10 years practicing). The goal and objective of the program is to empower the mentees with professional and social guidance.

As a mentee, you are expected to be committed to the program. Your mentor will contact you via email or other preferred method of communication at least once a month. Please go to www.nawl.org and download the Mentor Program Expectations Summary for more information on the Program. If you can not commit to working with a mentor but would still like to be involved with NAWL, please contact the Mentor Program Committee and indicate the types of activities for which you are interested in volunteering.

If you should have any questions or concerns please contact NAWL at nawl@nawl.org. For more information about the NAWL Mentor Program please visit our web site at www.nawl.org. Please note that space is limited and mentees will be assigned subject to availability. Sign up today!
