*About the Judy Grant Seminar: Mightier Than the Word*

Good speakers stand out. They rise to the top. The ability to clearly, powerfully and effectively communicate is highly prized. In this high-impact interactive workshop, seasoned media professional and presentation coach Judy Grant will reveal the core Speaking Strengths™ that enhance client relationships and improve presentations to clients. These Speaking Strengths™ are the foundation of the Speaking for Impact® seminars held nationally. In this workshop, you will identify your own strengths and will score the strengths of well-known power speakers, such as President Obama, Oprah Winfrey and Steve Jobs. You will gain a clear understanding of the benefits of speaking from your strengths and leave with a useful tool for evaluating your communications skills with clients.

In this workshop, *Mightier Than the Word*, we will elevate your communications capabilities and help you take full advantage of them to inspire, motivate, communicate and educate your clients.

The seminar has been approved for one hour of California MCLE credit, sponsored by Duane Morris. Duane Morris is approved by the State Bar of California as an MCLE provider.
